Forecast for Monday 31 Jan 2022

Weather: Clear or sunny spells through the morning and afternoon, with just the odd light wintry shower around. Increasing cloud from mid-afternoon evening brings outbreaks of light rain and drizzle towards midnight.

Chance of cloud-free hill tops above 600m: Around 90% falling close to zero soon after sunset evening.

Low cloud and visibility: Generally only small amounts of cloud below the summits until mid-afternoon becoming periods or persistent above 450-600m soon after sunset. Otherwise visibility very good falling briefly in any wintry showers and to several kilometres in rain and drizzle later.
